Key Differentiators

- ✓ **Unified Permissions:**
One role assignment controls access across all four modules. No separate permission setups per tool.
- ✓ **Forge-native architecture:**
Runs fully inside Atlassian Cloud with no external servers or third-party storage.
- ✓ **End-to-End Delivery Visibility**
See how delivery is progressing across teams, timelines, and business priorities.
- ✓ **Zero Context Switching:**
Track time, plan resources, and manage portfolios without leaving the tools.
- ✓ **One Subscription, Not Many:**
One install replaces multiple separate apps, licenses, and support channels.
- ✓ **Scalable for Growing Teams:**
Support cross-team execution with a platform that grows with your organization
